Issue No. 3

If anyone has content to add to next month's please send it to webmaster@astleyvillagejuniorsfc.co.uk. Thanks in advance for any input.

Because of the efforts of Matt Loughlin (Under 12's Manager) we are lucky enough to have acquired the use of Holy Cross all-weather facility until the 1st March inclusive enabling us to continue to train on Saturday mornings 9:30am - 11:00am. We have also been looking at another all-weather facility which should be ready for us to use exclusively after this period. We will notify parents of dates etc as soon as we are sure of them ourselves. Holy Cross school can only now be accessed via the new Eaves Green link road as the other gate is now closed. If you require any further information please e-mail: Caroline@astleyvillagejuniorsfc.co.uk.

Training for all Saturday Mornings

FA Qualified Coaches take a training session from 9:30am till 11:00am every Saturday and are currently held at Holy Cross Sports & Science College (on the all weather facility).

Coaching is available to all comers aged from 7 years upwards.

Training is a skills based session followed by mini games. Certificates are awarded at different levels after successful completion of each skill based session.

Training for all...

This is what the title suggests "Training for All" so if you lads that come along have any friends that are interested in playing, bring them along. If they don't, they might know of a friend that would like to play so tell them to come along too.
