Matches of the Month for September

Under 10's Mid Lancashire Junior Colt League - La Liga

Chorley St Gregory's 0 - Astley Village 7

9th Sept Away:

Astley Village 7 (Acton, Innes 2, Robinson, Galloway 2, Roper) v St Gregory's 0

Man of the match : Innes

Match Report : Astley began where they left off last week and played some confident attacking football ,within the first 5 minutes they had a comfortable 2 - 0. This continued throughout the first half and by half time led 4 - 0. St Greg's tried really hard and came close twice in the 2nd half. However, once Astley scored their 5th goal there was no stopping the team. All the Astley players played again this week and some notable first goals made by Acton, Innes and Roper. Well done team!

Under 12's Team - Central Lancashire League A

Astley Village Juniors FC 3 - Euxton Villa FC 2

5th Sept Home:

Astley Village 3 (Haywood, Smith, Noblett) v Euxton Villa 2

Man of the match: Crofts

Match report: Having beaten Astley only a week earlier in a friendly Euxton came to the match very confident. Within four minutes they were one up. Astley rallied and seven minutes later Haywood scored the equaliser. Euxton were awarded a penalty for hand ball in the Astley 13 yard box only minutes later. Astley's keeper stood large and seemed to fill the goal mouth, it definitely worked as he tipped the shot over the bar. Euxton steadied and three minutes later scored to go back into the lead. Euxton put lots of pressure on for the rest of the half but Astley withstood it all with several brave saves from the keeper.

Astley came on in the second half with great determination and within two minutes had equalised with a free kick from there own half, sent in by Noblett into the 13 yard box and played straight into the back of the net by Smith. Astley's confidence soared and they put a lot of pressure on Euxton who seemed to lose heart. Ten minutes later and Astley had another free kick this time from inside the Euxton half and again Joel sent a ball straight into the Euxton box there was some confusion as it headed to the right hand top corner and Smith got his head to it. It crossed the line to put Astley back into the lead. After that both teams were under tremendous pressure but again great defence and even better goal keeping took Astley to the final whistle and a well deserved win.

My favourite match and why.	

It was the match against Euxton Villa because in that match we came from behind twice to win and the team never stopped fighting. It was sweet to beat our rivals just weeks after being beaten by them.
